## LISTED PRODUCTS

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: August 2009 Void After: August 2010

Product: Water Closets with Dual Flush Feature File No. 6240

Issued To: Foshan Nanhi Eago Sanitary Ware Co. Ltd.  
Shiling Development Zone  
Xiaotang Town, Nanhai District  
Foshan City, GUANGDONG  
China

IDENTIFICATION: Each fixture shall be permanently and legibly marked with the manufacturer's name or registered trademark; or in case of private labeling, the name of the customer for whom the fixture was manufactured. Non-standard fixtures shall be marked with an "N". Close-coupled water closets shall be marked with the model number on both the bowl and tank. Product shall be marked with the average water consumption in both Lpf and gpf. Gravity flush tanks shall be marked with the water level mark. Product shall also be marked with the reduced flush volume and the designation ASME A112.19.14. All packaging shall be marked with the manufacturer's name or registered trademark; or in case of private labeling, the name of the customer for whom the fixture was manufactured, the model number and the water consumption in Lpf and gpf. The product shall also bear the cUPC® certification mark. Markings on product shall be visible after installation.

  
Chairman, Product Certification Committee

  
Senior Director of R&T

This listing is for the period indicated herein and is void after the date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Reproduction of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alternation of this certificate could be grounds for revocation of the listing.
