GRANITE COMPOSITE KITCHEN SINKS FEATURES

AB5007-PSS	Stainless Steel Soap Dispenser
ABDM1813	Drain Mat
AB4620DI	Granite Kitchen Sink

HEAT RESISTANT

Alfi Brand sinks are able to withstand severe thermal shocks and very high temperatures (up to 280°) without being damaged.

SCRATCH RESISTANT

The high percentage of mineral charges present in the mixture makes Alfi Brand sinks resistant to scratches, marks and wear.

HIT RESISTANT

Alfi Brand sinks have an elevated strength, they are also very tough. This last characteristic protects the sinks from breakages or damages that may be caused by accidental hits.

STAIN RESISTANT

Alfi Brand sinks can withstand everyday substances and food very well. Dirt and stains can be removed by rinsing and gently wiping the sink.

NO COLOR FADE

Color is the identifying element of Alfi Brand sinks. The sinks' colors remain bright and unchanged in the course of time, even in case of frequent and prolonged exposure to sunlight.

EASY TO CLEAN

Since the surface is not porous, the sink can be quickly cleaned by means of a standard detergent and the simple action of a towel or sponge. The sink is always fresh, clean and hygienic.

TESTED FOR FOOD CONTACT

Several tests carried out by independent institutes certify Alfi Brand sinks complete suitability to food contact.

AND ALSO...

Alfi Brand composite material sinks are also heat-insulating and sound-absorbing. They maintain hot water longer, and absorb the noise of the jet of tap water.

 ABNP2412 24" x 12" Horizontal stainless steel shower / bathroom niche Brushed Black/Gold/Copper \$270	Now offering our popular five sizes of shower niches in three new PVD finishes! PVD stands for Physical Vapor Deposition, and is a finishing process conducted in a high-tech vacuum chamber utilizing precious metals and an energized high temperature gas called a plasma. It results in a hard, long-lasting brushed surface that's very durable and resistant to attack by most household chemicals, and completely immune to metallic corrosion making it the ideal finish for kitchen and bath fixtures.
